

TREVO the new Barraqueiro Group company working in Evora

Trevo, **Transportes de Évora**, is the new Barraqueiro Group Company that has been operating since 1st July in Evora. Selected by the Municipal Council, following an international call for tenders, Trevo shall be responsible for providing an urban road service for the next ten years and hopes to reach 13 million passengers over this period.

Trevo employs a staff of 42 and accounts for a three million euro investment in vehicles, ticketing and user support equipment. The 24 new buses are fitted with the latest, innovative technology and meet the Euro 5 standard in terms of gas emissions and fuel consumption.

The name *Trevo* comes from the expression *Transportes Rodoviários de Évora* (Evora Road Transport), and combines the green of the fields with the blue of the sky. It is a dynamic, modern and appealing brand name that sets out to convey mobility, comfort and environmental efficiency.

In less than 3 months, Trevo has already carried 210,000 passengers and increased the buses available in Évora by around 20%.
