

Translagos – Transportes Públicos, Lda. awarded Quality Management System Certificate

Translagos – Transportes Públicos, Lda. has been awarded a Quality Management System Certificate under international standard ISO 9001:2008.

This certificate covers the full range of the Company's business and is a reward for the Company's drive and commitment to satisfying its customers and building their loyalty.

It is seen as another tool that will allow us to improve and develop so that in the near future and thanks to the priceless contribution of all, we may become a national benchmark in terms of road passenger transport.
